

Beautify Winchester!

Paint a Utility Box

Artists are invited to submit proposed designs for decorations of designated utility boxes in Winchester. If approved, they will be able to create their design and receive a stipend of \$350.

To apply, use the online form. Deadline for submission is the end of the day on **June 3, 2023**. Following that deadline, the proposals will be reviewed by a selection committee for artistic quality, suitability for the location, and durability/sustainability. The art should enliven the area, beautify the street and reflect the neighborhood or area where box is located.

Decisions are announced within two weeks of the submission deadline. Artists will have two months to realize their design, with extensions of the completion date available on request.
